

Droxford Junior After School Clubs

Clothing and kit

What children will need:

Sports Clubs

Children must have Full PE kit with socks. It is advised and acceptable that if a club may involve the child getting muddy that they bring a safe alternative (E.g. for football children may bring in football kit).

Please ensure your child has acceptable footwear and clothing for wet and cold conditions as clubs will remain on outside until unsafe to do so. In the winter tracksuit bottoms and a top are recommended.

Music Clubs

Percussion instruments are available; however, children are welcome to bring their own to play if they choose.

Children will need their own guitar and brass instrument for those specific clubs.

Dance, Gymnastics & Drama Clubs

Children may change into leotards, leggings and T-shirt (no jeans) with trainers or bare feet; otherwise their PE kit is suitable.

Judo Club

Children may wear judo suits and the provider can give advice if this is required. Alternatively, long-sleeve top and joggers may be worn. This club is conducted in bare feet, watches and glasses must be removed, long hair must be tied back.

Writers & Arts & Crafts Club

Even though some board games are available, children are allowed to bring in their own board games to this club to share with the group.

Writers & Arts & Crafts Club

No kit required - all materials are provided including overalls when required.

Children will change for clubs at the end of the school day, pack their school uniform in their bags and go home in their PE kit; the kit needs to be back in school on the following day for lessons. All kit should be labelled and in a labelled sports bag; an additional bag for muddy boots is also advisable!

We hope your child enjoys the clubs! It is important that they understand the procedures and are well organised!
