		<p>Maths homework due in</p> 		<p>Maths homework given out</p> 		

Remember: if you are stuck on your homework, please see your teacher **before** it is due in. If you are away on the day your homework is given out – it is **your** responsibility to make sure you collect your copy from your teacher. We do our best to mark our your homework if it is late but if you hand it in on the day it is due to be given back out, your teacher may not be able to mark it.
