

Parents evening – Autumn 2016

End of year expectations for children in Year 3

Reading

- Comment on the way characters relate to one another.
- Know which words are essential in a sentence to retain meaning.
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions.
- Recognise how commas are used to give more meaning.
- Recognise inverted commas
- Recognise:
 - plurals
 - pronouns and how used
 - collective nouns
 - adverbs
- Explain the difference that the precise choice of adjectives and verbs make.

Children independently read a range of stories, poetry and non-fiction texts with increasing accuracy. They respond to fiction and non-fiction, showing understanding of the main points and expressing simple preferences. They are increasingly aware of different organisational features and are beginning to understand the different purposes of writing. Children read at a fluent pace sufficient for them to focus on understanding what they read rather than decoding of individual words.

Writing

- Use conjunctions (when, so, before, after, while, because).
- Use adverbs (e.g. then, next, soon).
- Use prepositions (e.g. before, after, during, in, because of).
- Experiment with adjectives to create impact.
- Correctly use verbs in 1st, 2nd and 3rd person.
- Use perfect form of verbs to mark relationships of time and cause.
- Use inverted commas to punctuate direct speech.
- Group ideas into basic paragraphs.
- Write under headings and sub-headings.
- Write with increasing legibility, consistency and fluency.

Writing communicates meaning in narrative, poetry and non-narrative forms, showing an awareness of audience, organisation and purpose. Sentences are generally grammatically correct and there is some range in sentence structure. Vocabulary is beginning to be chosen for effect and is often specific. Most spellings are correct and handwriting is clear.

Mathematics

- Compare & order numbers up to 1000.
- Read & write all numbers to 1000 in digits and words.
- Find 10 or 100 more/less than a given number.
- Count from 0 in multiples of 4, 8, 50 and 100.
- Recall & use multiplication & division facts for 3, 4, 8 tables.
- Recognise place value of any 3-digit number.
- Add and subtract:
 - 3-digit nos and ones
 - 3-digit nos and tens
 - 3-digit nos and hundreds
- Add and subtract:
 - Numbers with up to 3-digits using written columnar method.
- Estimate and use inverse to check.
- Multiply:
 - 2-digit by 1-digit
- Count up/down in tenths.
- Compare and order fractions with same denominator.
- Add and subtract fractions with same denominator with whole.
- Tell time using 12 and 24 hour clocks; and using Roman numerals.
- Tell time to nearest minute.
- Know number of days in each month and number of seconds in a minute.
