ticket only

Family presents—Tombola—Christmas Art and Crafts

It's the biggest party of the year.... Tickets are £5 to include a glow stick, a raffle ticket, a snack and a drink. There will be presents to buy for family members which the children will wrap and bring home. Numbers are limited so please complete the **GOOGLE FORM** return as soon as possible. The Disco is for Droxford Junior School pupils only.

A little more information about the family present buying:

At the disco there is a stall selling Christmas presents for family members that the children are able to buy. There will be presents for siblings, parents, grandparents and pets (always very popular!).

We will only sell presents that we would be happy to receive ourselves. The children wrap and label them and safely bring them home. The children enjoy this little bit of independence and love the excitement of buying something for you as a surprise. These presents cost between 50p and £3.

Although you are under no obligation to send in pocket money with your child to the disco, in the past we have had very upset children who have been unable to buy gifts, so we wanted to take this opportunity to explain how the present stall works to help you decide.

There will be a non-uniform day on the day of the disco: please bring a donation for the children's tombola/ raffle in exchange for wearing a Christmas jumper or top.

Now is the time to buy tickets for our annual **Christmas Hamper Raffle**. For your chance to win a lovely hamper (£1 a ticket) ticket requests on google form. All ticket purchases will be recorded by us and included in our raffle—we will not be issuing raffle tickets directly to you. The Hampers will be on display in the school foyer and the draw will take place at the School Christmas lunch on Wednesday 13th December. Any donations for the hampers would be gratefully received: Christmas foods, drink and gifts. Please send these into school as soon as possible. Please fill in the form fully and return it to school by **Monday 4th December**.

It is vital that we have all the requested information. Thankyou!

Best wishes,

The FODS team
