

Hambledon Maths Homework- Friday 2nd February

In class, we have been looking at multiplication and division. Last week, we looked at doubling for multiplying by 2 and this week we have started to look at halving for dividing by 2.

Please complete the questions below on doubling and halving and return to Miss B by Wednesday 7th February.

Double the following numbers (x 2)	Half the following numbers (\div 2)
5 =	8 =
8 =	10 =
12 =	12 =
15 =	30 =
20 =	14 =
25 =	50 =
4 =	200 =
18 =	500 =
30 =	18 =
50 =	24 =
45 =	48 =
60 =	300 =
100 =	1000 =

Next week I will be tested on my _____ times tables.
