Droxford Junior Year 3 & 4 Swimming Lessons 2018

Dear Parents,

We offer intensive swimming lessons for those children in the lower school who still need to learn to swim. We aim to ensure all children are able to swim 25 metres (if your child can swim 25 metres or more these lessons do not apply). This will enable them to participate in the water based activities on residential trips in the upper school. Spaces are limited to 25 children but we may go over depending on the response received.

If you would like your child to have lessons please complete the reply slip and **return to the school office by Friday, 9th February 2018**. This will enable courses to be arranged for the Summer term. The charging policy states the cost of swimming lessons are free but parents will be requested to make a voluntary contribution towards the transport costs. In previous years the cost has been in the region of £40, this will be dependent on the number of children participating.

Yours sincerely

Matthew Dampier
