

Healthy School Newsletter

01/05/18

Dear Parents,

As the weather gets warmer and the end of the school year is nearly in reach. We have been as busy as usual with events, residentials and celebrations.

Year 5 Enrichment Week

Year 5 spent 3 sunny days down at the Andrew Simpson Watersport Centre learning how to sail, paddleboard and kayak. They then finished their week with a problem solving day back at school. The week is a fantastic opportunity and it must be said the children took to all tasks set like a duck to water (no pun intended). I am always supportive of the residentials we provide as they deliver the children with such unique opportunities and memories and this week certainly delivered.

Droxford Superstars

It is always great to celebrate achievements both inside and outside of school. Please see below some of our Droxford Superstars who have achieved great things outside of school. Please share your success stories with us so we can share them with everyone.

James Sadler

Well done for being selected to attend the Hampshire and Isle of White county tennis trials.

Miss Cook & Mrs Vardy

Miss Cook completed a 10K run & Mrs Vardy completed her half marathon.

Please tell us your success stories; we would love to share them!

Events & Fixtures

Another great term of Level 2 competitions. As per usual, everybody involved showed great levels of skill and sportsmanship whilst representing the school. Everyone is very proud of you!

Sports Day

This year's sports day will be held on Thursday 21st June. We have restructured the day so please take note of the new timings. The children will need to be in school at normal time for some morning activities. The main events will start at 10:30am, which you are more than welcome to come and support your child. At 12:15pm we will stop for a picnic lunch on the school field before the races at 1:00pm. The school day will finish at 2:30pm.

Hat & Splat

As the weather is now getting warmer please make every effort to supply your child with their own sun protection (hats and sun cream). We also encourage children to make sure they are drinking plenty of water to keep up their hydrations levels.

May Half term Holiday Course

I am running an Xtra Active Holiday Course Wednesday 30th May to Friday 1st June. The course is a great fun way to keep children active over the holidays. It would be great to see as many children from the school as possible.
