Autumn Term Parents consultations 2020

Dear Parents,

Parents' meetings will be taking place this term via telephone.

Each consultation will last 10 minutes and will be based around how your child has transitioned to their new class (school); giving you details on the curriculum they have been accessing and how they are managing so far in class and in school generally. We will also share work with you via Class Dojo.

If you have any worries or concerns, please discuss them straight away; don't leave them until the end of the call. If there is anything your teacher should know e.g. medical history, home circumstances, please bring the teacher up to date.

Each appointment is for 10 minutes, the dates and times are as follows:-

Years 5 & 6 (3.50-6.30pm)

Exton Base – Monday 12th & Wednesday 14th October
Soberton Base – Wednesday 14th & Thursday 15th October
Newtown Base - Monday 12th & Thursday 15th October

Years 3 & 4 (3.50-7pm)

Droxford Base - Monday 19th & Tuesday 20th October

The appointment is for parents only
