Dear Parents and Carers

As you may be aware – we are holding a Dig Day at school on Saturday 16th October 9 – 3. Letters went home last week about this and it is on our website. See link below...

http://droxfordjunior.co.uk/event/school-community-dig-day/?instance_id=17431

One of the tasks we are hoping to achieve is to create 3 pallet bug hotels at the bottom of the field. If you have any of the suggested items / resources to go in the pallet layers (we have the pallets already) below the children can use to make them – we would be delighted to receive them.

www.wildlifewatch.org.uk

If you are able to help with supplying any resources and / or helping on the day (where there is free pizza, tea, coffee and cake to keep people motivated and of course children are most welcome) please email the office... Adminoffice@droxford.hants.sch.uk

Thank you for kind and continued support

Matthew Dampier

Headteacher
